

Your work makes a difference.

Volunteers are very important at United Hospital District—providing support services that are vital to both our facility and our patients.

Rediscover yourself, learn new skills and meet new people. At UHD, *your* work makes a difference.

Committed to care. Committed to you.

WAYS TO DONATE YOUR TIME:

- **Wheelchair Transportation Service:** Escort patients in wheelchairs to their destination.
- **Information Desk:** Provide information and directions to patients and visitors.
- **Gift Shop:** Assist people with gift purchases.
