United Hospital District Appoints Jeffon Seely as Chief Operating Officer

Blue Earth, MN – September 3, 2025 – United Hospital District (UHD) is pleased to announce the appointment of Jeffon Seely as its new Chief Operating Officer, effective immediately. With more than 14 years of leadership in finance, operations, and organizational transformation, Jeffon brings fiscal expertise and a people-first philosophy to UHD, strengthening both short-term performance and long-term stability.

A nationally recognized consultant, Jeffon has collaborated closely with Fortune 500 companies, government agencies, nonprofit organizations, and healthcare systems. He has served as a trusted advisor to institutions including NASA, the United States Air Force, The Home Depot, Kroger, and Sanford Health, offering guidance on leadership, mindfulness, and innovation.

Throughout his career, Jeffon has excelled at aligning people, performance, and mission-driven strategy. Prior to joining UHD, he served as an executive consultant, partnering with organizations across the United States to elevate leadership capabilities, shape positive organizational culture, and enhance operational performance. His deep commitment to rural healthcare uniquely positions him to help strengthen UHD's operations while ensuring the highest quality of service for patients and families.

"I am honored to join United Hospital District and to support the incredible work already happening here," said Jeffon. "Rural healthcare is vital, and I look forward to helping UHD continue to deliver exceptional care while building the systems and culture that will sustain our mission for years to come."

About UHD:

United Hospital District (www.uhd.org), based in Blue Earth, MN, is an independent system of care comprised of a 25-bed acute care hospital, comprehensive outpatient services, ambulance service and a home health/hospice care program, all supported by a 30-plus multi-specialty provider group with three clinic locations across two counties. UHD was recognized as a 2025 Best Hospital for Obstetrics, a 2024 Top 100 Critical Access Hospital, a 2023 Best Small Hospital Under 25 Beds, and a 2022 Top 200 Workplace in Minnesota.
