## **United Hospital District to Host da Vinci Surgical System Open House Community Invited to Experience the Future of Surgery—Close to Home**

**Blue Earth, Minnesota** (May 18 and 19, 2026) — United Hospital District is excited to invite the community to a special Open House event showcasing its newest advancement in surgical care—the da Vinci Surgical System.

The Open House will take place on May 18th and 19th from 10:00 AM to 1:00 PM in the clinic lobby at 515 S. Moore Street, Blue Earth, MN 56013. This free event offers a unique opportunity for community members to learn more about robotic-assisted surgery and how it is transforming patient care locally.

Attendees will be able to:

- Watch live demonstrations of the da Vinci Surgical System
- Learn how robotic-assisted technology enhances precision and recovery
- Try the surgical simulator for a hands-on experience

Light refreshments will be provided throughout the event.

The Open House is open to the public, and all are encouraged to attend—whether you’re curious about the technology, considering a procedure, or simply interested in seeing the future of healthcare up close.

### **About United Hospital District**

United Hospital District, based in Blue Earth, MN, is an independent system of care comprised of a 25-bed acute care hospital, comprehensive outpatient services, ambulance service, and a home health/hospice care program, all supported by a 25 multi-specialty provider group with three clinic locations across two counties. UHD was recognized as a 2025 Best Hospital for Obstetrics, 2024 Top 100 Critical Access Hospital, 2023 Best Small Hospital Under 25 Beds and a 2022 Top 200 Workplace in Minnesota.
